Disaster Recovery

**Community Development Block Grant
Disaster Recovery Funds**

The City of Detroit needs your feedback on programs to help Detroiters recover from the 2021 floods! The U.S. Department of Housing and Urban Development recently announced that the City of Detroit has been allocated **Nearly \$10M Proposed for** Community Development Block Grant-Disaster Recovery funds to **Construct Protective Infrastructure in** flood-prone areas and to build resilient systems. **Response to Flooding in Jefferson-Chalmers** is the city's action plan, which proposes using the **Pages 7 and 8** to protect homes from flooding and improve flood protection infrastructure. For more information or your feedback on the plan, which can be found [here](#), or to ask questions, please email disasterrecovery@detroitmi.gov. Please submit your input by end of business on November 4.

For a link to an electronic copy on the City of Detroit website.

Zoom-Based Public Hearings are scheduled for October 17 and 19, 6 pm

Deadline for Public Comment is November 4.

The **Jefferson-Chalmers WATER Project** will be hosting **Community Meetings** to discuss the Draft Action Plan, Elevation Certificates and Project Ideas as well as other water resource challenges in our community.
