Rules:

Ideas, Suggestions, Questions, Comments or Constructive Criticisms:

- We will review all Ideas, Suggestions, Questions, Comments or Constructive Criticisms.
- They will be categorized as noted above.
- They will be prioritized and based upon the urgency of the comment, the timeliness of the response shall be determined.
- The text will be recorded in its entirety along with the date of the inquiry and initials of the person making the inquiry.
- A dated response shall be posted with the comment as soon as reasonably possible.
- Derogatory language or bullying of any kind will not be tolerated and comments considered inappropriate will be deleted.

JEFFERSON-CHALMERS WATER PROJECT GOALS

Keep Sewage out of Basements & Canals

Keep Stormwater out of the System

Keep Great Lakes out of the Neighborhood
